## About Us

Laboratory tests provide your doctor with important health information that helps your doctor care for you. At University Suburban Health Center, the main laboratory in Suite 011 has:

- Been serving the clinical laboratory needs of the community, at this location, for more than 30 years.
- Top-of-the-line equipment and technology
- A doctor who specializes in clinical laboratory testing.
- College of American Pathologist (CAP) certification, the premier lab accrediting agency in the U.S.
- Medical Technologists certified by the American Society of Clinical Pathologists (ASCP)
- Phlebotomists, certified by national agencies, who specialize in collecting blood or other specimens.

## Our Certified Technologists

## Our Certified Phlebotomists and Office Staff

**You have the right to decide where  
your lab work is performed.**

Any patient is welcome to use our laboratory services. You'll find that our entire staff provides excellent customer service - quality that you've come to expect. Our fees are competitive and we accept most insurance plans.

**If you would like a tour of the laboratory,  
then please just ask our receptionist.**
